

The Canadian Society of Agronomy Best Educational Video Awards- 2017

Eligibility

All **graduate students, undergraduate students, research technicians and post-doctoral fellows** conducting their research in plant sciences/agronomy are eligible for the awards. However, preference may be given to CSA members. All videos will be played in a session during CSA Annual Meeting 2017 and posted on the society's web page.

Rules for making video

1. The video should be focussed on any agronomic practice or related topics. A wide range of topics including but not limited to weed biology and description, weed management practices, tillage and land operations, integrated pest management, water management in agriculture etc. can be used as theme for the video.
2. The video should be easy to understand by high school and undergraduate students.
3. The video should be of 3-5 minutes in length.
4. Only one submission per participant will be considered.
5. Participant should agree to share his/her video on CSA pages on social networking sites and the website of the society. Additionally, permission should be granted to share the video with any educational institution worldwide.

Deadline

[March 15, 2017.](#)

How to Submit Your Video?

Share in Dropbox or Google Drive with Gurcharn.brar@usask.ca

Award

All entries will be judged by the Awards Committee of the CSA. Two to three awards will be presented to the top entries. The awards will be presented at the CSA Annual Meeting-2017 awards ceremony.
